Dear Mr. Cofield.

I would like to thank you for the 27-67 Florida Constitution Project booklets that were donated to the Sumter County School District. The booklets were sent to the middle schools for our 7th grade students and teachers. We have encouraged the teachers to use the booklets as an extra learning tool when teaching the history of the United States.

The booklets are easy to understand, it includes a question/answer section for students as well as a study guide and a place for students to take notes. This will be a great asset in teaching our students about the rights and freedoms we have as Americans.

We appreciate and applaud you for your efforts in promoting the United States Constitution and Declaration of Independence to the youth of the state of Florida. The Sumter County School District is proud to share your vision of educating our students about the law of our land and the history of our great country.

Many Thanks,

Debbie Moffitt
